

Restricted Delivery Announcement

The product(s) below may be delivered to customers with the deviations or restrictions mentioned hereafter. Within the limits of the restrictions, all essential points of the applicable specifications have been satisfied; the samples from production have been accepted and suitable measures have been taken to keep outgoing quality at an acceptable level. The service organization can provide adequate support. All necessary measures have been taken to ensure product safety and EMC.

Applies to

Firmware version 0405 of:

- **GNS600**

A Synapse® product

Deviations from technical specification or other restrictions

- GPO's triggered by the analyzer
- S2010 Multiple ANC-Packets De-Embedding and Embedding feature (for SCTE104 Packets > 255 bytes)
- S2010 Multiple Lines ANC-Packet De-Embedding and Embedding (if a SCTE104 Packet > single video line)
- Card occasionally fails to start, Cerebrum/Cortex shows "Initializing". Please re-seat the card when this happens.

Expected roadmap for fix

Please consult Axon product management for this roadmap.
