

# Release notes SYAAC1

These release notes are applicable to the following modules:

- ADC48

---

**Software version** 0203  
**Hardware version** 0202  
**Platform** SYAAC1  
**Date** 02-07-2018  
**Filename** ADC48-0202-0203-service.zip

- phase input problem on analog inputs solved

---

**Software version** 0202  
**Hardware version** 0202  
**Platform** SYAAC1  
**Date** 01-08-2017  
**Filename** ADC48-0202-0202-service.zip

- For the normal bus swapped channel 1,2 to 3,4  
- Increased update frequency RMS proc

---

**Software version** 0101  
**Hardware version** 0202  
**Platform** SYAAC1  
**Date** 30-05-2017  
**Filename** ADC48-0202-0101-service.zip

- First release

---
